Unfreeze Part 36 Category Relationships.

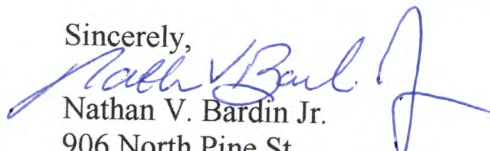

Dear Ms. Dortch,

I am an employee of Terral Telephone Company, Terral, Oklahoma. Many of our customers have written to you to express their hopefulness that you will approve Terral Telephone Company's petition to allow them to unfreeze its Part 36 Category Relationships. **We now request that you make that decision as quickly as possible.**

There are no other suppliers of telephone service or Internet in the Terral area. Cellular phone service is very spotty and weak. If Terral Telephone Co. is unable to continue to provide service we will be without any other provider. We do not want to lose our service or jobs. The longer the decision takes the more it puts our new broadband services at risk.

**Please approve Terral Telephone Company's unfreeze waiver.**

Sincerely,

Dear Ms Dortch

I am writing to request you approve the above waiver.

I am a Terral Telephone subscriber.

I am 85 years old, so my daughter is helping me write this letter. I have lived in Terral all of my life. I previously had an insurance office and worked at the Post Office. I do not own a cell phone. I have a hard time talking on the new cordless telephones, because I cannot hear. I still have and use the corded telephones. I do know that you cannot depend on cell phones in Terral.

Thank you for your time and for your consideration in this matter. Please approve this unfreeze waiver.

Sincerely

Peggy L. Thomas
